RDS Growth Continues

The Scalehouse Rock!

Ask the President!

Employee Spotlight

Birthdays & Celebrations

By: Lauren Cutlip

RDS Growth Continues!

In recognition of all the hard work from our team at the Athens – Clarke County facility, RDS has received recommendations from County staff to continue expansion efforts in their region. We take pride in our reputation of high customer satisfaction and look forward to continued partnership opportunities to come.

That’s the Scalehouse Rock!

Further progress has been made on construction with the new RDS Scale house outside the Portsmouth Facility: we’re excited to see it in full swing in the months to come!

RDS Involvement:

RDS Management takes an active role in industry organizations, including holding board and committee positions on the Southwest Virginia Solid Waste Management Association (SVSWMA) and the Virginia Recycling Association. These organizations include annual tours and quarterly meetings, one of which was recently on a sunny day in Roanoke at a local transfer station!

Ask the President!

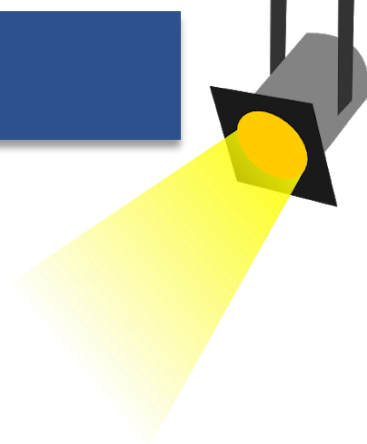

Do you have a pressing need to talk with the RDS president about changes you’d like to see at the facility? Do you have any questions about RDS? Send a message to info@rds-virginia.com to get them answered!

Employee Spotlight:

Congratulations to Gary Sink for passing his exam to receive his Waste Management Facility Operator License through DPOR! He now has a Class 1 Certification.

RDS Birthdays & Celebrations

Happy Birthday to some of our hardworking employees !

Gary Sink 3/6
Joseph Owen 3/6
